

Friends of the Storey Gardens (FOSG) – Membership Form

Background

The Storey Gardens are large walled gardens in two sections with a Georgian wall between them. The “inner garden” is an orchard, an artwork and garden “The Tasting Garden”. This was created in 1998 by the internationally renowned artist, Mark Dion. The paths are laid out in the form of the branches of a tree. Old varieties of fruit trees (apple, cherry, plum and pear) were planted on each of the four main branches or a headstone laid for extinct varieties. The concrete plinths in front of each tree are intended to bear a bronze sculpture of its fruit.

The Friends of the Storey Gardens (FOSG) are working with Lancaster City Council towards the full restoration of the Gardens (including the artwork).

Visit our website www.storeygardens.org for more information.

Ways that you can help the FOSG:

- Signing a membership form to show your support for the restoration work.
- Giving a donation to help finance the ongoing maintenance.

If you have some spare time we are grateful for volunteers to:

- Assist in maintaining the gardens.
- Help at events and/or input into future developments and activities.
